SEGA MEGA DRIVE

NEW

SEGA MEGA DRIVE

The future of video game technology, the Sega Mega Drive. With awesome graphics, stereo sounds and unbelievable games, the Sega Mega Drive is the ultimate in game consoles. Featuring latest 16 BIT power, arcade quality graphics and a range of game titles that will blow your mind. Includes the phenomenal Altered Beast cartridge, control joystick, with three separate fire buttons and pause button built in.

SEGA

SHINOBI ■ *Master System*
You are the master Ninja. Standing against you are the meanest group of terrorists ever to take up guns and martial arts weapons. But you have a secret weapon . . . Ninja Magic!

SCRAMBLE SPIRITS ■ *Master System*
The Earth has been attacked by extra-terrestrial forces. Their weaponry is fierce and their numbers are almost too great to count. It will take a couple of fearless fighter pilots to bring them to defeat. Feel up to the job?

RC GRAND PRIX ■ *Master System*
A radio controlled car race has begun – right in your own house! With this game you can enjoy the excitement of a real radio controlled car race. Enjoy the thrill of challenging a number of different race circuits, where four radio controlled cars go head on against each other.

AERIAL ASSAULT ■ *Master System*
The N.A.C., a terrorist organization, has built a laser emitter – "El" – that is causing a panic, as it is capable of destroying the Ozone layer. We need you to pilot the Freedom Fighter, an advanced aircraft that may be the only means we have to crush the enemy!

CASINO GAMES ■ *Master System*
Are you brave enough to stake a fortune on a turn of a card? Is lady luck smiling on you . . . or hiding her face? Casino Games will test your luck, skill and bravado as you try to game your way to a fortune!

ALEX KIDD IN THE ENCHANTED CASTLE ■ *MegaDrive*
Alex Kidd's back, this time he's battling monsters and bizarre beasts. Pummel the Pterodactyl, smash the Stone Head, Tame a Scorpion and numerous, different, monsters. SCHOOL'S BACK! Alex gets dropped into a frantic game of tennis. ■ *MegaDrive*

GOLDEN AXE ■ *MegaDrive*
Includes two more levels than the arcade game. In Turtle Village the children are fleeing for their lives! The invaders are brutal, ugly and 12 feet tall, with huge axes and bellowing laughs. They have pounding your into the dirt!

THE REVENGE OF SHINOBI ■ *MegaDrive*
You are Musashi, master ninja. You are one of the mystic warriors who see and know all things. You are deadly! Now you must destroy the vicious army of Neo Zeed. If you fail, then Naoko, their beautiful prisoner, dies!

SUPER THUNDER BLADE ■ *MegaDrive*
Once known only as Thunder Blade, the ASH-002 is back in action as Super Thunder Blade, model ASH-0918. As part of the Air Force Special Operation Troop, you and Super Thunder Blade must take control of its state-of-the-art artillery to defeat the renegade guerilla armies with plans to dominate the world.

GHOULS 'N' GHOSTS ■ *MegaDrive*
The time is yesteryear, when knights scoured the countryside in search of the Holy Grail, defended the honor of fair maidens and fought a never ending battle against rampant evil forces.

THUNDER FORCE II ■ *MegaDrive*
Eighteen years ago the planet Nebula was attacked by the Lone Star System, arch enemy of the Interplanetary Federation. Its population decimated, the few survivors swore to protect its future with their lives. That time has come.

SUPER HANG ON ■ *MegaDrive*
Countdown to excitement, Hang On's back with two awesome races that are guaranteed to rev your engine. Whether you're racing against time as you beat a path across four continents . . . Battling guts with an opponent on a specially designed circuit . . . There's no better thrill than the roar of your pipes as they beat a steady rhythm in sync with your fast-paced driving.
